RE: Year End Report (11/29/16 - 12/31/2016)

Dear Mr. Adamsky:

I am in receipt of your letter dated May 22, 2017 regarding the aforementioned report.

At the time when each of these contributions were made to the committees referenced in your letter, each of these committees had sufficient debt to accept a contribution towards retiring their debts.

Please be advised that we have subsequently requested a refund from each of those committees and once those refunds have been received those refund of contributions will be reported accordingly by our committee.

At this time our committee believes to be in compliance.

Sincerely,

Chrissie Hastie
Treasurer
